

# LETTER FROM THE PRESIDENT

As I am writing this the temperature outside is in the high teens with a stiff 10 to 15 mph breeze so January is more of a planning month than a doing month. Most of the things we planned have happened before, but we are always working to improve them. I'll try to list the events in chronological order.

1. Somerset Fly Show Jan. 25, 26 & 27 (Nothing to do with the Chapter but a great way to overcome the winter blahs, plus I'll be working the FFF table on Friday morning)
2. January 30<sup>th</sup> General members meeting - Bob Mahorter on Colorado fly fishing
3. Fly Tying Classes - Feb. 26, Mar. 5,12,19 & 26. Craig Hull will be doing a demo tie 3/26
4. Banquet - March 22. More info will be available soon.
5. Spring one day fly fishing trips
6. Spruce Creek trip

I would like to welcome Gerry Martina and Walt Klodnicki to the Board of Directors. They will be replacing Dan Pelly and Bob Stratton with the rest of the officers remaining as in 2007.

I am trying to build a base of web site links and here are two I discovered this month: <http://www.state.nj.us/governor/govmail.html> direct to the Governors office and an educational site for dealing with invasive species [www.cleanangling.org](http://www.cleanangling.org) take the "clean angler pledge".

See you at the meeting January 30th.
