## LETTER FROM THE PRESIDENT

**July's Meeting:** Our TU BBQ was a limited success. The food was good and the dozen or so hardy souls that risked the weather made for good company. The evening started with fishing on the lake, setting up the grill and unloading all the necessities. As the grill heated the clouds moved in. The race was on. We moved to the "Outdoor Bar" area for cover and the skies opened. There was very heavy rain for about an hour. It finally cleared as the sun was setting. Everyone was well fed but a little damp. Bill Ceravolo won the casting contest. He must have good night vision. I would like to thank Jerry Martina for providing and manning the grill, Carl Wyckoff for getting and preparing all of the food and everyone that braved the weather to make it a good evening .

**September 30<sup>th</sup> Meeting:** Our September meeting will be held at Corson's Inlet. Usually we meet at the boat ramp parking area and fish our way to the point. You can choose your time of arrival. I will try to get there by late afternoon to fish the outgoing tide. Tim Egan's truck will be there to ferry people out to or back from the point if necessary. Don't feel it's necessary to fish only with a fly rod. If you are more comfortable throwing bait or plugs, go for it. Below is the tide chart for Sept. 30th.

### Tides for Corson's Inlet, Ocean Drive bridge September 30, 2009.

Day	High /Low	Tide Time	Height Feet	Sunrise Sunset	Moon Time	% Moon Visible
W 30	High	6:01 AM	3.5	6:54 AM	Set	3:14 AM 82
30	Low	11:57 AM	0.8	6:43 PM	Rise	4:51 PM
30	High	6:14 PM	4.2			

**Fly of the Month:** There will be no "Fly of the Month" this month due to the informal nature of the meeting.

**Fly Tying Demos: Smithville Park "Arts in the Park" in Eastampton, NJ:** On Sept. 27th the Park is holding a folk art festival. Even though fly fishing is not necessarily considered a "Folk Art", I'm always looking for ways to get more exposure for the sport and the Chapter so I accepted the invitation. <http://www.burlcoarts.com/ArtsinthePark.htm>

We have also been invited to the **Hammonton Green Festival** on Sept 19th. The festival focuses on conservation and self-sustaining eco-friendly practices. It would be a great opportunity to showcase the Trout Unlimited conservation agenda. <http://hammontongreen.com/events.aspx>

Anyone interested in helping on either or both of these events please touch base with me. The events are scheduled for 10am to 4pm and 12 to 4pm.

I do hope we get enough volunteers to make an effective presentation. I'll have a report on how well they went at a later date.

**Thank You Letter:** I received a nice thank you letter from the Upper Delaware Chapter of TU for our donation to their Stream Restoration Program and the Youth Education Program. Also in the letter were some Xerox copies of the fishing pools along the Lower Beaverkill and the Lower Willowemoc. If anyone would like a copy please let me know and I'll see that you get one.

### **Upcoming Trips:**

1. The next scheduled trip will be to the Boiling Springs area on the weekend of October 16, 17 and 18. Carl Wyckoff and Rick Pflieger are working with Craig Hull for a trip to some private water. If you're interested let us know since the number of slots is limited.

2. We are putting together a steelhead trip to the Salmon River. Please contact Tim Egan for more info.

**Activities Fees:** There are a number of members who have yet to pay their activities fee for 2009. We all love this Chapter but it will not run on love alone. Send your check of \$15.00 to:

Bill Ceravolo  
107 N. Monroe Ave.  
Wenonah, NJ 08090

Checks should be made payable to **Trout Unlimited SJ Chapter**

Keep in mind you should also be a member of National TU. The web address is:
