### LETTER FROM THE PRESIDENT

**March's Meeting:** Craig Hull's presentation was a good end to our fly tying classes. His presentations are always educational and enlightening. The opportunity to purchase his flies also added to the evening. If you missed that opportunity you can visit his website at [www.troutgetters.com](http://www.troutgetters.com) and open the online catalog. The prices are the same as at the meeting but you do have to pay for shipping, which is just as reasonable.

**April's Meeting:** On April 28th at 7pm we will have Jim Warner doing a presentation on web-based resources for finding fishable waters in the tri-state area. Jim has put together this program and offered it to the chapter. Thanks Jim.

**Upcoming Trips:** This year's schedule is posted on the website. <http://www.sjtrout.org>

**Burlington County Earth Fair 2010:** We have again been invited to participate on Saturday June 19th. I have proceeded by filing the application in hopes of having some Chapter members support. Last year it was a great day. If you think you can help out let me know.

**Salem County Sportsmen's Club Youth Day:** We have been invited to participate in Outdoors Day on August 21st at their club. This activity involves about 200 youngsters interested in outdoor activities. Please visit their website for more information [www.outdoorday.110mb.com](http://www.outdoorday.110mb.com) If you are interested in being involved please notify me.

**Future Meeting Speakers:** For May we have Steve Michaelchuck doing a presentation on fishing Montana and June we will have Reggie Regensburg presenting a program on Corson's Inlet. July's meeting will be the BBQ. If you have any ideas or thoughts on speakers for our meetings please share them with me.

**State Council Meeting:** On April 18th I attended the State Council meeting. As usual most of the agenda has little impact on our chapter. It should be noted that Trout Unlimited has some really good people representing them in New Jersey. Some of the relevant topics covered were:

1. Ken Lockwood Gorge road has been repaired from the storm damage and is now accessible to the trestle pool from the upper end.
2. New Jersey Youth Camp will be held this year June 24th through the 27th at Stokes State Forest Conservation School. Anyone interested in helping out needs to apply before May 1st.
3. The Trout Conservation Area rules are due for review soon. Anyone with suggestions for improvements should contact the State Council.
4. A new chapter is likely to be formed in the Warren County area and the Rutgers College chapter is trying to be re-chartered. This will raise the number of chapters in New Jersey to eleven.
5. Our own Ed Cuneo addressed the group representing the NJ State Federation of Sportsmen's Clubs. As you may know Ed has been very active in Camden County Federation and is now President at the State level.
6. There was a second meeting the same day for the preventative maintenance of the chillers used in the Trout In The Classroom program. I would like to thank Jim Nash for making a solo trip to New Brunswick just to attend this informative meeting.

**Membership/ Activities Fees:** I would like to thank those who have faithfully paid their activity fee and are members of National TU. I will again be reviewing our roster soon. If you have no activity in either account you will be dropped from our data base. So if you want to continue with us please let me know with a return email/letter or send your check of \$15.00 to:

Bill Ceravolo  
107 N. Monroe Ave.  
Wenonah, NJ 08090

Checks should be made payable to **Trout Unlimited SJ Chapter**

Keep in mind you should also be a member of National TU. The web address is:  
<http://www.tu.org> and click on "Membership Services" and then "Renew Membership" or  
<https://www.tumembership.org/member> and scroll to the bottom of the page and complete the form.

Hope to see you at the next General Membership meeting.

Bob Powell
